# ABOUT

Millstream Tavern is located at the entrance to Woodstock, offering Lunch and Dinner in a historic 1800s millhouse. We pride ourselves on sourcing locally when possible, and bringing you only the freshest ingredients made from scratch. Our bar reflects those same values with natural small batch wine producers, craft cocktails, and lots of local Hudson Valley brews. We have a variety of dining options including our sun room overlooking the Sawkill Creek and plenty of outdoor dining.

As the only wedding venue in Woodstock with on-site catering options and unparalleled views of the mountains, Millstream Tavern and its surrounding greens offer various locations for your ceremony, cocktail hour & reception! We look forward to speaking with you about your dream wedding.
